PR for The Hub on Canal - April 2017

WHAT/WHO: **1st Saturday Art Stroll** from one end of Canal Street to the other, including over 75 artists represented at The Hub on Canal. Opening of the April exhibition featuring artist, Karlene McConnell presenting an exhibition entitled *Sunday's Light*. This series of paintings includes abstracted landscapes inspired by time outside and life on the river. Taken into consideration are the traditional landscapes of the past and she expands on the concept by bringing the negative space forward and using non-traditional color combinations. Trees and horizon lines may appear and then retreat under brushstrokes and mark-making. These paintings are featured in a book with poetry that is also inspired by nature, titled *Sunday's Light*.
