

Application for Founder's Gallery Exhibition

“Our search focuses on unusual, out of the box exhibits which push the boundaries for the viewer.”

Please submit 6-8 images of your work on a zip drive along with media, size, retail price and your artist statement and bio. Preference will be given to *fresh & unconventional work which pushes boundaries and challenges the viewer*. In an attachment please describe your view of the exhibition and its theme.

The Search Team will review your application at their quarterly meeting and you will receive a response as soon as practicable after that. Depending when you submit your packet of information, it may be 3 months before you receive a response. Once accepted, a signed contract with The Hub on Canal is due. Installation is usually the Wednesday (10:00am - 5:00pm) before the subsequent 1st Saturday Gallery Walk. End of show with removal of unsold work is the Monday (10:30am) before the next 1st Saturday Gallery Walk.

Application:

Name: _____
