Requirements for Artists

Artists selected for rental space at The Hub on Canal must agree to change out their work a minimum of six times a year and abide by an agreement that their work will not be shown in galleries within the city limits of New Smyrna Beach. (Artists Workshop is excluded from this restriction.) Hub artists also have the opportunity to submit applications for solo and group exhibitions in the Founders and Fine Art Photography galleries. Applicants must agree to a 20% commission on work sold through The Hub on Canal and sign a rental agreement for wall or studio space.

Rates

Monthly rates are based on size and location. Wall space is \$50 (minimum) up to \$100 + tax. Studio space ranges from \$100 to \$250 + tax. Pedestals for 3D work may also be available. Marketing, utilities, and seven days a week, staffed retail operations are included in the rental fee.

Hub Membership

An annual Hub membership (at the level of your choice) is required of all Hub artists.

The Selection Committee meets monthly to review all applications. Selection Committee decisions are based on the **quality and originality of the work, your ability to participate required hours and/or have a significant presence online including social media platforms and that you are an artist living in Central Florida.**

Thank you for your interest in becoming a Hub artist.
