Requirements for Artists

Artists selected for rental space at The Hub on Canal must have a body of work large enough to rotate pieces out on a consistent basis. You may not show work in other galleries within the city limits of New Smyrna Beach, with some exceptions. Applicants must agree to a 20% commission on work sold through The Hub on Canal and sign a rental agreement for wall or studio space. An annual Hub membership (at the level of your choice) is required of all Hub artists.

Rates

Monthly rates are based on size and location. Wall space is \$50 (minimum) up to \$100 + tax. Studio space ranges from \$100 to \$250 + tax. Pedestals for 3D work may also be available. Marketing, utilities, and seven days a week, staffed retail operations are included in the rental fee.

The Selection Committee meets monthly to review all applications. Selection Committee decisions are based on the **quality and originality of the work, your ability to participate required hours and/or have a significant presence online including social media platforms and that you are an artist living in Florida.**

Thank you for your interest in becoming a Hub artist.
